As tall and striking as the Valkyries of legend, Dr. Rain Jordan is proud of her Norse ancestors despite their warlike ways. But she can't believe her eyes when a blow to her head transports her to a nightmarish battlefield of yore—and there standing before her is the barbarian of her dreams. A wild-eyed berserker, Selik can slay a dozen Saxons with a single swing of his deadly sword—yet he can't control a saucy wench from the future. In his eyes, Rain is a prisoner and he'd dearly love to avail himself of her medical skills—not to mention her considerable knowledge of the male anatomy. But the infuriating woman has ideas of her own. If Selik isn't careful, the stunning siren might very well capture his savage heart and make a warrior of love out of . . . The Outlaw Viking

Hell Hath No Fury Like a Princess Scorned! Princess Drifa can certainly see why Sidroc Guntersson is a living legend— on battlefield and in bedchamber both. But the King of Stoneheim ' s willful daughter pitches a royal fit when she learns of the true reason for the virile Viking ' s passionate attentions. A third-born son with no hope of inheriting the family jarldom, scheming Sidroc must marry and is interested in Drifa only for her father ' s land and money. The barbarian is lucky she just cracks him on his fool head with a pottery pitcher! Five years later, Drifa needs Sidroc ' s protection— in Byzantium, no less!—though revenge holds more appeal for this man she left for dead. ' Tis a pity two such perfect enemies match each other so well, passion for passion. So much so that the bold Viking berserker is soon thinking marriage again . . . only this time it will be on his terms!

Like the rest of his crew, Steinarr the Proud is condemned to live out eternity as a were-creature--at night he transforms into a lion. Now only one maiden can set him free to love as a man, in this second novel of the Immortal Brotherhood. Original.

The hypnotic voice on the self-motivation tape was supposed to help Ruby Jordan solve her problems, not create new ones. Instead, she was lulled from a failing marriage to an era of hard-bodied warriors and fair maidens. But the world ten centuries in the past didn ' t prove to be all mead and mirth. Ruby had to deal with a Norseman who had her husband ' s face, habits, and desire to avoid Ruby. Determined not to lose the same man twice, Ruby planned a bold seduction that would conquer the reluctant Viking—and make him an eager captive of her love.

Mad about you His boat off course, distracted by a randy she-whale whose infatuation had somehow thrust him into the twenty-first century, Jorund Ericsson thought he ' d found heaven when he caught sight of the comely wench with the man-hair and the kiss-some lips. The lovely doctor, however, simply thought Jorund insane—even as she drove the befuddled Viking crazy with her enticing figure. He leapt from the water and into Maggie ' s life, all sinewy muscles in a flawlessly proportioned body, a swath of long blond hair swept back from his brow. His claim to be a Viking from the tenth century made her smile. But it wasn ' t laughter that caused her stomach to flutter when the Hercules look-alike claimed her lips. And soon he had her believing his story and questioning her own sanity—though the psychologist realized there was another possibility. They were, neither of them, truly mad . . . simply truly, madly in love.
